DIRECTIONS ↓

- 1 Cut a 6" x 12" inch piece of construction paper.
- 2 Decorate the paper using pastel chalks or markers. Get creative! Make a fun design or pretty flowers, or anything else you can think of!
- 3 Fold the paper back and forth to make accordion-like pleats. Start by folding one end over about 1 inch. Then, flip the paper over and fold the end up. Continue all the way across.
- 4 Hold the fan together and staple or tape the folds together at one end to hold them in place.
- 5 Open up the other side and there's your fan!
