

CALLIGRAPHY (ARABIC)

SUPPLIES ↓

- Arabic alphabet and Arabic phrases handouts
- Tracing paper
- Pen or pencil

DIRECTIONS ↓

- 1 Print the handout with the Arabic alphabet and common Arabic phrases.
- 2 Use your tracing paper to trace different letters of the alphabet. Notice how they change depending upon where they are located in the word.
- 3 You can also try tracing some words! You might want to start with a shorter phrase to make it easier. Try “Welcome” or “Marhaban.”

مرحبا

- 4 Trace as many letters or phrases as you want. Keep practicing!
- 5 Now challenge yourself! Try writing something without tracing!

صباح الخير

Good morning! (Sabaahal khayr)

مساء الخير

Good evening! (Masaa'al khayr)

مرحباً

Welcome! (to greet someone) (Marhaban)

كيف الحال؟

How are you? (Kayfal haal?)

وداعاً

Good bye! (Wadaan'an)

أنا آسف

I'm Sorry ('anaa 'aasif - Masculine)

أنا آسف

I'm Sorry ('anaa 'aasifah - Feminine)

شكر

Thanks (shukran)

لا شكر على واجب

You're welcome (laa shukra 'alla waajib)
