

## SUPPLIES ↓

- Different colors of construction paper (including one black sheet)
- Pencil
- Scissors
- Glue
- Stencil of Fish & Octopus

## DIRECTIONS ↓

- 1 Get one of the sheets of construction paper. Draw a basic fish shape (or use the stencil provided) then cut it out.
- 2 Glue the fish shape onto another sheet of construction paper in a different color. Cut it out so that you have a border around the second fish.
- 3 Create more layers in other colors.
- 4 Use the construction paper scraps to create details such as an eye or a fin, and glue them onto your fish.
- 5 Glue the finished design onto a black piece of construction paper.
